

**We just want to say, “Thank you!”**

For the fourth consecutive year, the Arkansas Business weekly business journal asked readers to log on to [ArkansasBusiness.com](http://ArkansasBusiness.com) to vote for the companies and organizations that they think are the best in the state at what they do. The results, the **2008 Best of Business Awards**, were published in the December 8 -14, 2008 edition. We at Hutchinson Financial were both surprised and very gratified to find that we had again been voted #1 in our business category.

This recognition is especially important to us because it comes from you—our friends, neighbors, colleagues and clients in our community. It means a lot to us that people took the time to visit the Arkansas Business web site and vote for Hutchinson Financial.

We are proud to be recognized for the work we do. Our thanks to everyone with whom we have been privileged to work over the years.

Warmest regards,
